"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." Matthew 6:33

The call to put first things first is one of the hardest calls to answer. The reasons are many, but one of the most pressing reasons is that life moves at a fast pace, filled with unexpected turns.

The 2025 FBFI South Regional Fellowship has been planned to give us tools to help us consistently make the best choices in our daily life and long-term plans.

Remember that the FBFI South Fellowship is for **the WHOLE CHURCH and the WHOLE FAMILY**. The children and teens enjoy both the fun and the instruction that we have in our youth tracks. These sessions take place while the adults are in their meetings. The nursery ministry allows parents of young children to enjoy the conference by attending each session without distraction.

If possible, I would like to encourage you to put this event on your church calendar. We have seen that those who attend are always encouraged greatly in their walk with God.

Please feel free to contact me if I can help in any way. I would like to hear any questions or suggestions you might have.
